24 Q. I'm noted for the record this we did not

2 record was I specifically noted on the record that
3 it can stay open as long as was necessary to
4 conclude the deposition I'm not finished yet. In
5 any event I think you know our position that there
6 is no 7 hour limitation with respect to these
7 experts. I understand that your position is
8 different from that. But we have not concluded
9 this deposition and in particular because so many
10 of the responses I got were, in fact, not
11 responsive to my questions, which required us to
12 spend more time than I otherwise would have had to.
